SUMMARY OF INFORMATION

The target has motion or movement. There are small, colorful objects floating or flying down from the air. The objects consisted of balls, lines, and archs. Fun was associated with target. Orange was the most predominant color.

At one point, it looked as though I was looking at a big ear.

MCDONNELL PLANETARIUM

Open year round except for Mondays. The 400-seat Star Theater gives performances each open day. Various exhibits on astronomy are also displayed. Forest Park, St. Louis, Missouri.
